

A city-wide coalition to
enhance the quality of life
in Newton's village centers

OUR GOALS

- Make our villages better places to walk, bike, eat, shop, gather, work, play, and live.
- Engage more Newton residents and businesses in shaping our village centers.

OUR APPROACH

Improve the villages through:

- education,
- advocacy,
- volunteer work, and
- hands-on projects.

Work with all of Newton:

- individuals and groups,
- young and old,
- new and longtime residents,
- merchants and property owners,
- city agencies and elected officials.

Foster participatory planning, with guidance from:

- residents, merchants, property owners,
- city government,
- the Newton Comprehensive Plan,
- the Metropolitan Area Planning Council.
